

# QueenBee Circle of Life

---

## How to use:

Not all areas of our lives will be running at the level that we want. Different times of our life, like phases, will require different amounts of attention. Without losing track of what is important to us, completing a Circle of Life is a fun way to visualize your priorities.

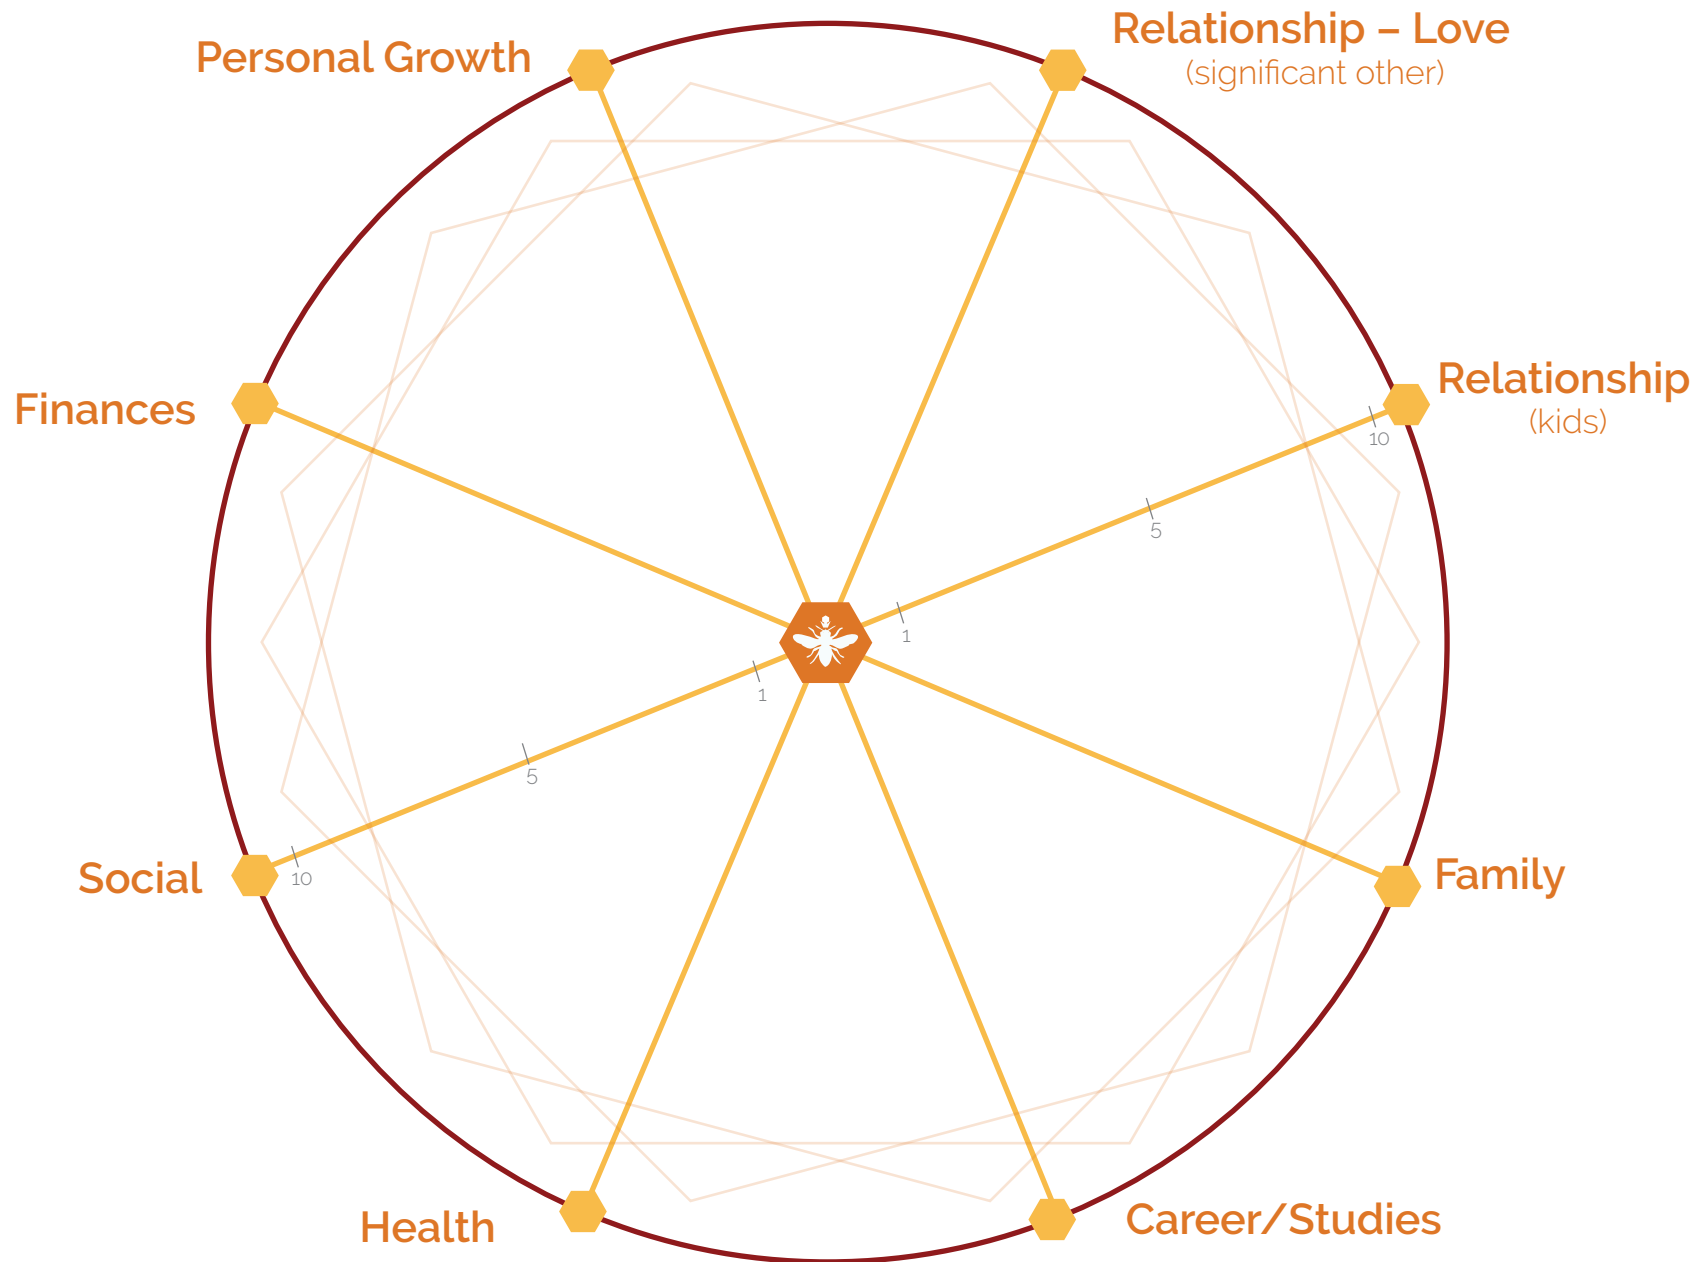

## What is working in your life? What needs more attention?

The 1st Circle of Life is for the standard things that we have in our life.  
The QueenBee Circle of Life is for the fun things.

**1** - Place a dot on the line that represents the level of where you feel your life is within each of the categories.  
10 being the highest and 1 the lowest.  
You will quickly see what needs attention.

**2** - If it is an area you want to improve upon, give it attention and time and come back to complete another circle in a couple of months.
